

WCTA NHS

SERVICE HOURS DO'S & DON'TS

ORGANIZATIONS

3-Square, YMCA, hospitals, Special Olympics, and community outreach programs are all excellent.

ESTABLISHED NHS ACTIVITIES

Tutoring with a student as supervised by a teacher, fundraisers, and NHS sponsored events all count.

ANYTHING PRE-APPROVED

CTSO Events, Program Events, and other opportunities may count - just ask Mr. Broome!

EXISTING WCTA CLUBS

Cannot double-count hours! Key Club is great, but we don't share hours.

HOURS SIGNED BY PARENTS

Your hours should be signed for by someone other than a family member to avoid the appearance of impropriety.

HOURS SIGNED BY STUDENTS

Do not think that a student can sign for your hours because you worked with them setting up a StuCo event. That doesn't work.

Remember: any state officer or StuCo Officer may double-count their hours if they have already spoken to Mr. Broome.
